

TRIVISION

VIRTUAL PRODUCTION

INTRODUCING THE

BEAST!

**WE HAVE EXPANDED OUR STUDIO
PRODUCTION CAPABILITIES, AND
YOU NEED TO SEE IT TO BELIEVE IT!**

- New, bigger and sharper LED wall, 2.5mm pixel pitch & 4K quality
- Brand new smooth, matte black stage ready for showtime!
- 6'x6' ceiling lighting grid
- Complete multi-camera capabilities with live streaming
- 100% fail safe 3-phase power and high speed fiber internet, perfect for your virtual or hybrid event or production

CONVERT YOUR CONFERENCE INTO A VIRTUAL EVENT

COVID-19 has had an unprecedented impact on the conference and event scene in the National Capital Region. Fortunately there are solutions to transform your in-person event into a virtual one, often at lower costs. You have options now. With our full-service video production and webcast capabilities, TriVision can help:

Webcast live to
your audience

Or pre-record in advance
and stream later

Record your panels,
keynotes at our studio

Combine local and
remote participants

Integrate
pre-packaged content

HOW IT WORKS:

- ❑ Record your panels or keynotes at our studio
- ❑ Combine local and remote participants
- ❑ Integrate pre-packaged content
- ❑ Webcast live to your audience
- ❑ Or pre-record in advance & stream later
